

Dear MNAs there are a lot of positive news at the Marina Militare Nastro Rosa Tour, EUROPEAN and WORLD CHAMPIONSHIP of the Double Mixed Offshore.

First of all **we made an agreement with the Beneteau** boat yard and **we are proud to announce that the Figaro3 will be the offshore boat of the Tour for the next 3 edition!**

It is a major step forward to cooperate with Beneteau!

Secondly, we have fixed the daily charter fee to the lowest edge of 950€ per day for the Tour.

In order to keep the overall cost and charter fee that low we thought that maybe interesting for the teams to train before the EC while sailing the boats on their way from Canet, south France, to Genova Italy. This will help us to move the boats to their final destination in Genoa to start the Marina Militare Nastro Rosa Tour but it also offers a 300 nms training at no cost for the team. We offer this opportunity as a “first come first serve” option. Same offer will be available before the WC sailing for free from Naples to Brindisi. We believe this could be a win-win-win situation offering free sailing and a contribution to the Event Organizer and our big efforts to make this project successful.

We also inform you that, in consultation with WS and Eurosaf, **we are accepting a max of two entries per country depending on the level of participation** (in case of doubt and no MNA indication the first pre-entry fee payment received by the O.A. will count as matter of preference)

We have already 13 countries that confirmed interest, so please made your confirmation of interest as soon as possible to give us enough times to decide the scoreboard.

In case the number of team entered will require a scoreboard elimination system we are setting a system to guarantee that, in case of semifinal and finals, **teams will pay only for the effective days of racing** they were allowed to. **The balance will be refunded at the end of the World Championship.**

Please find attached the revised annex to the NOR for your convenience.

Entries are open from today onwards, make your pre-entry payment to secure the free Media package. Please notify to nastrorosatour@ssi.events your payment and entry.

Do not hesitate to contact us if you have any question or need help in order to compete in the event.

Best regards
